CAHP Casual Academic Staff Walk-in Sessions

Dear Colleagues,

As we are nearing the close of Semester 1 we want to ensure that you, as a Casual Academic staff member, are confident that you have received the correct remuneration for your work throughout the Semester and that you are comfortable with the new pay process.

The regular avenue for support for Casual Academic pay is through the ITS Support Desk or with your School / Supervisor. However, the CAHP Project Team has scheduled two walk-in sessions for anyone who has any unresolved questions or concerns with regards to Casual Academic pay and would like to discuss them with a CAHP project team member for resolution.

The sessions are open to all Casual Academic staff members and will be held on:

- Thursday 31 May from 9am-1pm in Brian Wilson Chancellery 61A-556
- Friday 8 June from 12pm-4pm in Brian Wilson Chancellery 61A-556

In order to ensure that we have enough team members available to answer your questions efficiently, we ask you to register your interest through the following link:

Thank you,

The CAHP Project Team.
