## CAHP Release: Pay fixes

Dear Colleagues,

The CAHP Project Team is pleased to announce that several bug fixes and improvements were successfully delivered in the Casual Academic Hire and Pay (CAHP) system, in time for O-week and Teaching Week 1 pay.

### What functionality has been released?

The following items have been released:

#### Enhancements and bug fixes:

- Fix to prevent activities that are deleted from the pay schedule from showing up again in the timesheet
- Fix to avoid paying the Course Coordinator / Lead Tutor payrate for Casual Academics who are working in another course where they are not Course Coordinator or Lead Tutor
- Fix to improve the way we retry integration in the event the first attempt fails
- Fix to prevent inactive placements from interfering with new placements
- Improvement to error logging to more easily identify the cause of entries in the error log.

### When will the functionality be available?

The functionality is now live.

### Deadline reminder

Please be reminded that the deadline for submitting / approving timesheets for Casual Academic staff for O-week and Teaching Week 1 is **today 6 March** at 12pm. If you have any questions, please get in touch with us at [CAHP\\_Support@uq.edu.au](mailto:CAHP_Support@uq.edu.au).

### Next Steps

The CAHP Project Team is providing support for Schools preparing for Semester 1. The following major features will be our next focus:

- Expense Report
- Teaching Allocation functionality
